

# Scalable Family Planning Solutions: High Impact Practices in Focus

Side event at the International Conference on Family Planning

Wednesday, November 16, 2022 | 7:00 – 9:00 pm

Room Pattaya 11, Level 4, Pattaya Exhibition and Convention Hall

An evening reception hosted by

**USAID**  
FROM THE AMERICAN PEOPLE

World Health Organization

International Planned Parenthood Federation

BILL & MELINDA GATES foundation

Join us for an evening celebrating the progress and potential of High Impact Practices (HIPs) in family planning. Learn how these vetted, evidence-based family planning practices are driving sustainable progress toward our ambitious family planning coverage goals. Hear from government officials, HIPs co-sponsors and experts about actionable steps to implement and scale these proven interventions.

Following the short program, enjoy food, drinks, entertainment and networking.

**RSVP HERE**
